You may choose one of the following payment options:

Option 1: Payment in full. A 5% early payment discount from tuition fees will be offered with this option. To be eligible, full payment will need to be paid on or before **Thursday 31 March 2017.**

Option 2: 10 equal Instalments via a Credit Card (Visa/Mastercard) **OR** from your Bank Account via Catholic Development Fund. These instalments will be debited on the 25th of the month to begin 25 February 2017 and conclude on the 25 November 2017.

Option 3: Centrepay fortnightly arrangement (contact school office to set up).

Option 4: Continue with my current weekly/fortnightly/monthly arrangement via Direct Debit or Credit Card. I understand payments will be increased to an amount required to cover next year's fees and levies as from the first payment in January 2017, unless arrangements have been made with the school for a reduced payment plan.

Our fees and levies have increased by 2.83% to align with Catholic Education Office requirements. When the School Board agreed to the increase it was with the understanding that no child would be declined enrolment or lose enrolment based on financial reasons or constraints. Please make an appointment with Mrs Wootton to discuss fee options should the need arise.

Reduced payment plans should be reviewed each year, and if you are already on such a plan, you are requested to complete a new Application for Fees Assistance and ensure that a direct debit form is in place for 2017.
