

## Parents & Friends News

The Parents & Friends Association is a group of people within the school community that supports the functioning of the school and represents parental interest.

Following the resignation of our current president, at our next meeting to be held on Monday 7 August at 6.45pm, we will be calling for nominations to fill that position for the rest of 2017. Please see below a description of the roles and responsibilities of the President of our Association.

**The President** chairs all general and executive committee meetings of the Association. The role of the President includes:

- Providing leadership
- Acting as a spokesperson for the Association
- Reporting to P&F meetings about the activities of the P&F
- Exercising some supervision of the functions of other office bearers
- Ensuring adequate and efficient communication exists between the members of the Association and the school; and
- Encouraging parents to participate.

If you would like to take on a more active role and feel that you have the necessary attributes to be able to fill this position, we would love to hear from you, either by completing a nomination form available from the school office or by attending Monday's meeting.

All parents and carers are invited and welcome to join our Parents & Friends Association meetings. Although fundraising is an important part of the P&F, it is not the essence of this parent group. It is within this group that ideas can be suggested and shared, new programs and learning discussed and parents are able to enjoy each other's company whilst contributing to their child's experience at Sacred Heart.

Why not come along to our next meeting to see what it is all about.
